21st February 2024

World Book Day: Belmore Lodge

Dear Parents,

We are very fortunate that our school councillors have been invited to celebrate World Book Day with local residents at Belmore Lodge on Friday 8th March 2024.

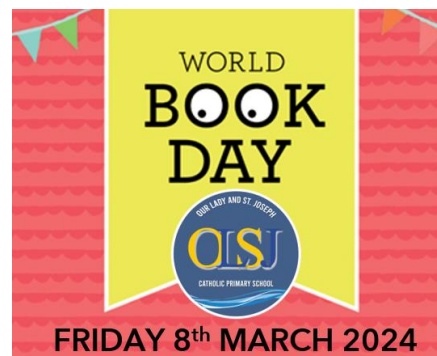

The children will be able to share their wonderful costumes, as well as a range of books with the residents. Children will be attending with school staff. They are encouraged to bring along the book that their character features in so that they are able to share with peers and residents, if they wish to do so.

The children will attend during the afternoon within school hours and will be collected as normal at the end of the school day from their class teacher.

Our local visits forms will cover granted permission so that the children are able to attend. However, if you do not wish for your child to attend on this occasion, please do notify the school office by Friday 1st March.

Thank you for your support,

Gerida Montague
Executive Headteacher
