

As part of our Coronation Celebrations, we are very lucky to be welcoming Transition Lymington to support our children with making some bunting!

Transition Lymington are a local not for profit group taking action to create a more sustainable Lymington area.

Pupils will be sewing on **Friday 21 April**.

We would love it if you were able to bring in any old fabric (e.g. old shirts, t-shirts, jeans) that is predominantly red, white or blue prior to this date for children to use to turn into bunting!

Please note that the items will be cut/sewn and therefore will not be returned.

We hope you can support us in this exciting endeavour!
