

## Eco-committee

*'Alone we can do so little, together we can do so much...'*

**Our Lady & St. Joseph Catholic Primary School**

**Eco Committee**

**Date:** Thursday 12<sup>th</sup> October 2023 **Time:** 09:00 **Venue:** Year 5

Minutes of Session 2:

- Observations: *We need to start sweeping up the leaves to add to our compost pile, flowers are dying so bulbs need to be planted.*
- Design a calendar: *We will plan when to sow our vegetables indoors and when to plant them outdoors. We need to ensure we maximise our plot and land throughout the year.*
- Eco term focus: *Children to start work on their classes eco focus for this term*

AOB: N/A

Agreed Actions from the meeting:

- Research class plants and the best time to plant them indoors. Then create a calendar so each class knows when to start planting.
- Children to start their classes eco focus for this term. This will be child led and the eco-committee will seek a range of volunteers.
- Prep bulbs for planting

Next meeting scheduled for: Thursday 2nd November: Same time and location.
