Dear Parents,

Charity House Challenge:

This term, the School Council have decided they would like to support the charity 'Save the Children'. This is a fantastic charity that helps create a fairer world. In the UK and around the globe, they strive to keep children safe, healthy and learning.

After sharing lots of ideas, the children settled on a 'sponsored catch', in which they will attempt to do as many catches as they can in designated lunch time slots. This will run from Monday 19th February till Friday 23rd of February.

To take part in this fantastic charitable challenge, we ask that children collect sponsorship by guiding any willing sponsors to the Save the Children website (see link below) where they can donate directly. We thank you in advance for your support.
