

Musical Instruments Play At Home

Discover
the
Music™

Dear Parents,

As you may know, children in **Year 4** are learning to play a musical instrument each week as the core feature of their enriching music curriculum. Children explore foundation skills in reading music notation while delving into the world of musical history and genre.

We hope that you will be able to share performances of our music throughout the school year as the children broaden their skills further.

Our aim is to inspire children to learn to play a musical instrument as they grow through their long-term childhood journey and benefit hugely from the universal affect music can have on our wellbeing.

If you would like for your child to bring their instrument home to practise in between lessons, you are welcome to apply via the link below. There is a non-refundable contribution of **£22** to do so (the cost of which goes towards maintaining and insuring our instruments).

You will be able to take the instrument home each week until the end of the Academic year. The instrument must then be **returned to school in July 2023** when the subscription ends.

Included for free will be access to our curriculum website where you can access notation play along videos that we are learning in weekly lessons.

The link to access the videos is – www.discoverthemusic.co.uk/guitarathome - the password to access will be sent to you by sophie@showcasemusicschool.com once payment is received. **Please note it can take up to 1 week to process payments and to release the instrument – we will inform your child's music or class teacher when your child can bring their instrument home.**

It is not compulsory to take your instrument home and your decision will not impact learning in lessons as we will continue to ensure each child is appropriately challenged.

To sign up, all we need you to do is submit payment via our website:

Sign Up Here:

<https://discoverthemusichq.com/shop/curriculumloan>

Please do not forget to bring your instrument in each week for your lesson as spare instruments are very limited. The details are:

Lesson Day – Monday afternoon.

Instrument – Guitar.

Please email sophie@showcasemusicschool.com if you have any queries.
