Our Lady & St Joseph Catholic Primary School: A school 'amongst the top 5% of primary schools in the country'

Dear Families & the School Community,

I am exceptionally proud and delighted to write to you after receiving a letter from Damian Hinds: Minister for schools.

Our school has been commended on the very high level of progress that children demonstrated in reading, writing and maths during the 2022/2023 KS2 SATS assessments. Our school's published results show that our progress scores are as follows:

Reading: 6.2

Writing: 8.9

Maths: 8.7

These numbers represent the exceptional progress that our children make between Key Stages 1&2, ranking Our Lady & St Joseph Catholic Primary School within the top 5% of schools nationally. This is an outstanding achievement and is testament to the hard work and diligence of our wonderful children paired with the rigour, drive and love of our phenomenal teaching staff.

Thank you to all of our families and wider school community who support the education and growth of the wonderful children in our care.

Yours sincerely

Gerida Montague
