Non Uniform Day – Toilet Twinning

Next Friday is a non-school uniform day!

School Council have decided to raise money for "Toilet Twinning" with funds raised from non-school uniform day. "Toilet Twinning" is when toilets in the UK (in this case, our school toilets!) are 'twinned' with a toilet overseas. Money raised for the charity funds a community project, to enable families to build a basic toilet, have access to clean water and learn about hygiene - to help save lives.

We are asking all children that choose to wear non-school uniform next Friday to make a donation of £1 or £2, (please give only what you are able) which will go towards twinning a toilet. We are hoping to twin two toilets by raising £120. School Council have voted to twin a toilet in Afghanistan and to twin a toilet in Zambia, should we raise the full amount of £120. Should we not reach our target, we will twin one toilet, or make a financial donation to the charity with the total raised.

You can give electronically through Tucasi (see 'Non Uniform Day') or bring in loose change on Friday.

Once the toilets are twinned, we will receive a certificate showing us an image of the toilet and also we will be given the GPS coordinates so that we can find the toilet on Google Maps!

Don't forget, on Friday we will also be holding a 'God, Love and Family' singsong in the hall from 8.45-9.15 and will also be drawing the PTA raffle. All parents welcome!

Thank you for your continued support,

Mrs Montague
