

Hello to all Parents and Friends of OLSJ,

As you are no doubt aware, the PTA are a registered charity who hold various events throughout the school year, to raise money for the enrichment of our wonderful school. We are then able to put this money towards assisting with school trips, equipment for the school, treats for the children, leavers hoodies and more!

As a part of our fundraising, we are organising a raffle to be drawn by the children on Friday 3 May 2024 during their Celebration Assembly!

Please keep an eye on your child(ren)'s book bags, as envelopes will be coming out shortly with raffle tickets enclosed.

The tickets will be 50p each or a whole strip for £2. You can buy as many as you wish and also sell them to extended family, friends, and colleagues.

For all tickets purchased, the buyer should keep one side and write their name and phone number on the back of the corresponding ticket.

These should be returned to the reception in a sealed envelope with the money by Monday 29 April 2024 please.

Should you require more tickets, please speak to a member of the PTA.

Any unsold tickets should also be returned please.

If you have any questions, please feel free to email us at [OLSJPTA@outlook.com](mailto:OLSJPTA@outlook.com)

Many thanks for your continued support and generosity - it really does make a difference to our wonderful children and outstanding school!
