

Dear Parents,

Christmas has come and gone, and spring is fast approaching! Are you in the midst of or heading into a half term spring clean?

If you're looking to have a sort out of those unused gifts including consumables, the PTA would love to take them off your hands for a wonderful raffle this year.

After the success of the raffle in February and July last year, the PTA are looking to host another raffle during the summer months.

Any donations are welcome and can be passed to one of the PTA team or dropped into the main office. We thank you for your support to ensure that any nut products are not amongst any donations on school site.

Also, if you know of any businesses maybe your workplaces, who would be happy to donate a prize, voucher or support our wonderful small but mighty school then please do let us know at OLSJPTA@outlook.com or speak to one of the team directly.

Thank you for your continued support.

Kind regards

Our Lady and St Joesph PTA team
