

CATHOLIC PRIMARY SCHOOL

Executive Head Teacher: Gerida Montague MA

School Senior Lead: Eleanor Prince BA PGCE

Dear Parents,

We are very proud of our school's systematic, synthetic phonics programme to teach early reading and writing skills, "Pip and Pap Phonics," which has been validated by the Department of Education.

We invite you to explore our new website which stocks all 119 Pip and Pap decodable reading books, at www.pipandpapshop.co.uk.

Books can be purchased through this website, to support with home learning, should you wish. There is no obligation to purchase books, your child will continue to take home a decodable reading book (in Years R-2) and a library book as normal from our well stocked school libraries.

We are looking to develop the range of products that we offer to parents, including sets of flashcards and stickers, as well as developing a free parent area with videos and activities to support with home learning. If you have any ideas for things that you may like to see in the parent area of our learning website (www.pipandpap.com), please do let us know at pipandpap@manselpark.net.

Do look out for more parent and child workshops happening soon in school to support with early reading and writing skills.

Kind regards

The English Curriculum Team
