Dear Parents/Carers

With the warmer weather still with us and set to stay, we thank you for applying suncream before school and ensuring that your child comes to school with a hat.

In school, we are using shady areas for play and lunch times and are limiting time spent in direct sunlight. Plenty of fresh water is freely available.

If you wish your child to reapply suncream during the day, please do speak to your class teacher where we will give /support your child with suncream. This is being provided to ensure no nut derivatives/ allergens are ingredients.

We have purchased Boots Soltan Kids Suncare lotion 50+. It has the crucial 5 star rating as recommended by dermatologist. If you have any concerns, please do speak to a member of the office team.

Thank you and kind regards

Mrs Montague
