15th March 2023

Dear Parents,

As we are all aware, everything is becoming more and more expensive; one of these things being our children's school uniform. In order to support all families with these costs, we would like to set up a school uniform 'Swap Shop' where you can pick up pre-loved items. In order to set this up, we are kindly requesting any unwanted items that you may have at home suitable to donate. These items would include school jumpers, cardigans, trousers, skirts, dresses, shorts, PE kits, polo shirts, coats and shoes. Please can we ask that any donated items are in a good condition and clean. If you have any suitable items to donate, please can these be brought to the school office by Friday 31st March.

We would not charge for these items but request that you bring in a suitable item to swap or make a small monetary donation, which would then be gifted to one of the charities supported by the school.

Our aim is to run the first 'Swap Shop' on Thursday 4th May at 8:30, which will coincide with our next Coffee and Catch-up.

Many thanks,

Mrs Montague
Executive Headteacher
