A warm welcome

Every public library in Hampshire offers a warm welcome to everyone. Inside all of our libraries you will find a free, warm and safe welcome.

Warm Packs

We have free Winter Warm Packs to give out to those who need them most, supported through the Household Support Grant, the packs include:

- Thermal gloves, hat, and scarf
- Warm socks
- Lidded coffee cup
- Fleece or gilet
- Hot water bottle

Each library will have a limited amount of the Winter Warm Packs and they will be given out on a first-come basis. We will need to ask those who take a pack to provide a postcode for our funders, no other information will be collected, and we will not be asking for ID.
